The goal of the camp is to provide each camper with outstanding individual skill instruction in a fun, competitive and nurturing atmosphere. We will work hard to make sure every camper leaves our camp with new skills and drills they can practice on their own to improve their game. Each camper will be challenged to work hard individually and as part of a team. It is our hope that each camper leaves camp with a passion about the game, the desire to improve their skills and the drive to become the best player they can be.
