

This coming July of 2011 we will again offer another opportunity for an Edge Summer Service Camp. The camp is scheduled for July 12-16, 2011.

The program gives opportunities for Service, Fellowship, and Fun.

Due to the locations of service only 25 students can be registered for the Edge Camp.

Students in Grades 7 & 8 for this school year 2010-2011 are welcome to sign up for the Camp. Forms will be available under this link beginning in the end of April. This does fill up quickly.

If the first camp fills up and we have at least 15 other students interested we may offer an additional Edge Camp (Dates TBA). Students may not switch camps.
